

# Consultation Skills for Foundation Trainees – Live Webinar [Foundation 1 and 2]

**4** external CPD points

## Introduction

This course is linked to the Foundation Curriculum 2021: the Foundation Programme Curriculum [HL01: An accountable, capable and compassionate doctor – 1. Clinical Assessment, 2. Clinical Prioritisation, 4. Communication and care].

Pre-course materials will be sent prior to the webinar and all participants will be expected to read these.

## Course Structure

- **4 hour webinar**

## Webinar Objectives

- Be able to communicate effectively with individuals regardless of their social, cultural or ethnic backgrounds, or their disabilities
- Know the evidence base for the skills used by good communicators
- Assess own and others communication skills using the Calgary-Cambridge observation guide
- Challenge your own thinking to provide consultations using existing technologies
- Continue to provide high quality care and support using virtual consultations
- Identify how to establish what is important to the patient
- Understand basic principles of online meeting etiquette and associated skills
- Review, plan and develop your approach to online consultations
