

Career Guidance for Foundation Doctors – Live Webinar [Foundation 1 and 2]

3 external CPD points

Introduction

This course is linked to the Foundation Curriculum 2021: HL03 – A professional, responsible for their own practice and portfolio development [Competency 13 - Understanding Medicine -Understand the breadth of medical practice and plan a career].

‘With continual advances in medicine and changes in the healthcare system, the landscape of medical careers is constantly changing and, while educational supervisors should be able to offer at least a basic level of careers advice, the core training programme must also provide careers guidance’.

This live webinar aims to provide you as a Foundation Doctor, with the relevant knowledge and skills to effectively strategize and structure your approach to career planning. This will enable you to make informed decisions regarding your options, as well as receiving guidance on C.V. writing, completing application forms, and attending interviews.

Course Structure

- **3 hour webinar**

Webinar Objectives

- Recap the current context of the NHS and consider the impact on future career pathways
- Review the ‘four stage’ structured approach to career planning
- Have strategies for effective career decisions making
- Know how to apply the ROADS checklist to analyse career decisions (C.Elton, 2007)
- Understand where to get help with career planning including COPMeD ‘Strategies, policies and guidance’
- Receive guidance on C.V. writing, completing application forms and attending interviews
