

# Interview Skills for Trainees – Live Webinar

**3** external CPD points

## Introduction

This live webinar is a practical webinar offering constructive feedback from the facilitator and participants. It offers an overview of the application, recruitment and selection process as well as the more practical skills around how to market yourself via CVs/application forms, handling nerves, what to wear in an interview situation and which NHS-related topics could potentially come up during the interview.

## Course Structure

- **2.5 hour webinar**

## Webinar Objectives

- Understand the selection process and how to prepare for it
- Appreciate how to construct a good CV and application form
- Understand how to “market” yourself in a highly competitive environment
- Practise interview techniques with feedback and support
