

Leadership for Trainee Doctors – Live Webinar [Foundation 1 and 2]

3 external CPD points

Introduction

This course is linked to the Foundation Curriculum 2021: HL02 – A Valuable Member of Healthcare Workforce [Competency 6 – Sharing the Vision; Competency 8 – Upholding Values].

‘Doctors remain important healthcare professionals and are frequently called upon to lead the clinical team. The groundwork for this should be laid in Foundation, if not acquired before’. FPC 2021.

This live webinar provides an introduction to leadership, management and teamwork using a combination of questionnaires, group discussion and exercises to help delegates understand their own working and leadership styles as well as team dynamics.

Course Structure

- 2.5 hour webinar

Webinar Objectives

- Recognise the Leadership Academy’s Healthcare Leadership Model and consider how this will support them in their career
- Understand the importance of the Foundation Competencies – Sharing the Vision and Upholding Values and how these can be demonstrated
- Understand the difference between Leadership and Management and recognise when they might need to flex their own approach
- Gain insights into personality types and how this affects team dynamics
- Understand some key leadership models and considered their own leadership style
- Briefly explore the nature of leadership in Clinical Governance and their own development needs
