

Working as a Nurse in the UK – Live Webinar

10 external CPD points

Introduction

This four hour highly interactive and practical webinar will enable nurses who are new to the UK to learn about the governance of the NHS and to gain confidence about working in the United Kingdom. The webinar involves short input sessions, interspersed with virtual breakout sessions, lively quizzes and time for discussion and questions.

Additionally, the workshop is supported by the following optional e-learning programmes: Personal Effectiveness; Working with Others; Influencing Skills; Never Events; Complaint management.

Course Structure

- **4 hour webinar and optional e-learning**

Learning Objectives

The webinar will enable participants to:

- Understand the current challenges and future strategies for the NHS
- Be familiar with NHS values, hierarchy, leadership and teamworking
- Explore aspects of British culture so as to work more effectively
- Learn typical English understatement examples and colloquialisms
- Develop practical techniques for professional assertion

Webinar approach

The webinar is designed for a small group of up to 15 participants with time to ask questions and raise their own issues. It will enable participants to gain valuable insights and share their own experiences in an interactive, memorable and engaging session.
