

Upskilling the Educators Live Webinar

3 external CPD points

Introduction

This highly interactive webinar is designed to enable clinical and educational supervisors better support trainees who return to training after a break. The programme provides insight into trainees behaviour, confidence and competence whilst focusing on the skills, understanding and techniques to improve the trainee's performance – both educationally and emotionally.

Course structure

- 2.5 hour live webinar

Webinar objectives

- Understand HEE's Supported Return to Training initiative
- Develop their own Self-awareness through a psychometric assessment
- Explore how to improve trainee's emotional resilience
- Discuss generational differences affecting trainees
- Handle 'courageous conversations with trainees requiring additional support
- Practise giving feedback
- Develop mentoring and coaching skills
