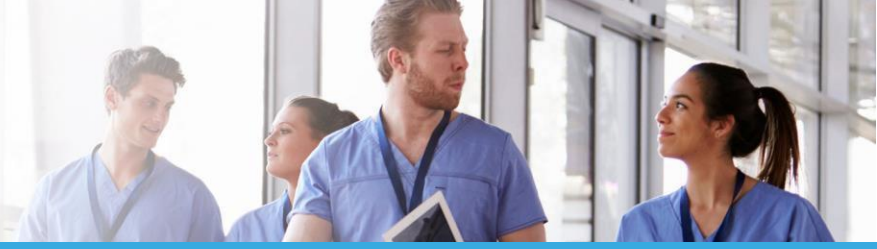
Miad Healthcare



Appraisal for Doctors, Preparing your PDP & reflecting on your practice

4 external CPD points

Introduction

As the name implies this webinar is aimed at Doctors, helping them understand the revalidation process. The workshop goes through this process in-depth and provides all the necessary assistance for the doctor.

Course Structure

- 2.5hr or 4hr Webinar

Webinar Objectives

- Understand the purpose of Medical Appraisal for Revalidation: the roles and responsibilities of the RO, the Doctor, the Designated Body and the GMC.
- Consider the preparation required from both parties prior to the annual appraisal meeting
- Consider the inclusion of “summative” elements within the appraisal process
- Develop the skills to write a meaningful Personal Development Plan and understand how this is an essential part of the appraisal process
- Consider the proposed output statements of appraisal to ensure that the appraisal process is successful
- Reflect on your practice
