

Supporting SAS Doctors with CESR - Live Webinar

3 external CPD points

Introduction

This three-hour practical, interactive webinar will enable senior doctors and SAS tutors to support colleagues who are embarking on the CESR process. It provides an overview and update on the CESR process itself and will be an opportunity for networking amongst colleagues to share ideas and best practices as SAS doctor supervisors or mentors. The webinar also enable you to develop your feedback and coaching skills with SAS doctors to support them through their CESR applications

Course Structure

- **3 hour live webinar**

Webinar Objectives

- Understand the CESR process and what is required for those embarking on it
- Share ideas on how best to support CESR applicants – including secondments
- Outline the requirements and importance of references
- Practise supportive feedback and coaching skills
