

Virtual Training Techniques – Live Webinar

3 external CPD points

Introduction

This 2.5 hour highly interactive and practical webinar will enable educational supervisors, and all involved in medical education, to make the most of their virtual training. It includes practical techniques to engage trainees, enhance their knowledge retention and includes guidance on how to use Zoom effectively and imaginatively.

Course Structure

- **2.5 hour webinar**

Webinar Objectives

- Understand the challenges and requirements for training virtually
- Design virtual training sessions that increase knowledge and skill retention
- Practise three different methods for achieving trainee engagement in virtual training sessions
- Learn innovative ways to use Zoom for virtual training and to practise using the different approaches
