

Trainees Requiring Additional Support – Live Webinar

3 external CPD points

Introduction

This 2.5 hour webinar will enable you to address and manage the poor performance of doctors in training. It covers the role of the Educational Supervisor in these situations and provides clear guidelines on how to deal with such trainees effectively. The skills and knowledge covered in this workshop are directly transferrable to many other areas requiring interpersonal skills.

Course Structure

- **2.5 hour webinar**

Webinar Objectives

- Manage the trainee in difficulty through diagnoses, feedback and response – and practise skills with relevant case studies
- Outline the main causes of trainee difficulty and how to deal with them
- Learn useful feedback principles
- Practise giving feedback to trainees experiencing difficulties
