

Working as a Clinician in the UK

4 to 10 external CPD points

Introduction

This four hour highly interactive and practical webinar will enable doctors who are new to the UK to learn about the governance of the NHS and to gain confidence about working in the United Kingdom. The webinar involves short input sessions, interspersed with virtual breakout sessions, lively quizzes and time for discussion and questions.

Additionally, the workshop is supported by the following optional e-learning programmes: Never Events; Action Planning and Clinical Audit; Serious Incident Investigation; Complaint management; Root Cause Analysis; Appraisal.

Course Structure

- **4 Hour Webinar with optional e-learning**

Webinar Objectives

- Understand the current challenges and future strategies for the NHS
- Be familiar with NHS values, hierarchy, leadership and teamworking
- Explore aspects of British culture so as to work more effectively
- Learn typical English understatement examples and colloquialisms
- Develop practical techniques for professional assertion
